

# Tips for Winter Vehicle Safety Kits

- Pack your vehicle with:
  - Flashlight, cell phone charger, extra batteries, and jumper cables
  - Blankets, gloves, boots, first aid kit, signal whistle, nonperishable food/snacks and water
  - Ice scraper/snowbrush, a properly inflated spare tire, wheel wrench and jack, flares/warning triangle, kitty litter/sand for traction
- If stranded, stay in your vehicle, call for help, and wait for assistance.
